FILLING THE GAP IN ACCOUNTING AND FINANCIAL EXPERTISE®

Advice and Training for Small and Mid-Sized Accounting Firms

The Challenge

When it comes to resolving client issues, small and mid-sized accounting firms deal with the same level of complexity as Big Four firms – but often without access to the expert resources readily available at those larger organizations. Smaller accounting firms need cost-efficient alternatives to stay current and provide the sophisticated advice and counsel their clients require.

The Solution

Blythe Global Advisors can be a valuable resource to smaller accounting firms by filling the gap in accounting and financial expertise.

With ***BlytheTeamSM***, our alliance of former ***Big Four partners/executives***, current industry entrepreneurs, and former corporate finance and accounting senior executives/professionals, we bring extensive knowledge of U.S. and international accounting principles and regulations, seasoned leadership, an unbiased real-world perspective, and broad industry expertise to every training engagement. We are leaders in helping the business community understand the implications of evolving legislation.

Our Advice and Training Services

Our specially developed tools and templates help smaller accounting firms deliver a higher level of service to clients.
