

BLYTHE GLOBAL ADVISORS

FILLING THE GAP IN ACCOUNTING AND FINANCIAL EXPERTISE®

Risk Advisory Services

The Challenge

Each year, the threats of risks and attempts to mitigate them consume a larger portion of companies' focus and resources. On another front, escalating regulation has resulted in many companies experiencing what has come to be known as compliance fatigue.

The Solution

At Blythe Global Advisors, we see the two as entwined. We understand how much you've already invested in processes, people and systems to lessen risks and to meet reporting obligations.

With our Risk Advisory Services, we apply our deep experience in internal controls, process compliance and financial regulatory pronouncements to help you manage the many risks that threaten your success and to turn your compliance investments into a strategic asset

We deliver these measurable results through **BlytheTeamSM**, our alliance of former **Big Four partners/executives**, current industry entrepreneurs, and former corporate finance and accounting senior executives/professionals. Our experts bring broad and deep experience to every engagement including extensive knowledge of U.S. and international accounting principles and regulations, proven leadership, project management, and expertise across a wide range of industries. Our clients can attest that we hit the ground running and that we always leave companies better situated to achieve their strategic objectives.

Our Services

Our Risk Advisory Services cover the following:

- ◆ **Internal Audit:** Evaluation of enterprise risk, implementation of an internal audit function, business process reviews, cosourcing, outsourcing, etc.
- ◆ **Compliance:** Sarbanes-Oxley 404 support, controls rationalization/optimization, staffing, etc.
- ◆ **Consulting and Technology:** IT general controls, IT project management, finance transformation, IPO readiness, data analytics, etc.

Our end-to-end approach provides solutions that are flexibly priced, customized to your specific concerns and include the hallmarks of every BGA engagement – turnkey implementation, knowledge transfer and measurable results.
