

Luis Aponte

Accomplished IT Compliance and Information Security professional with 30 years of experience leading end-to-end IT SOX programs, audits, and risk assessments in complex regulatory environments. Expertise includes control design, testing, remediation, and reporting aligned with SOX, PCI, ISO, FedRAMP, and HIPAA. Skilled in partnering with engineering, DevOps, and IT teams to implement scalable controls, manage walkthroughs and evidence, and guide remediation and SDLC compliance. Experienced in developing governance policies, maintaining SOX documentation, and serving as a primary liaison to external auditors to strengthen security frameworks and control effectiveness.

FILLING THE GAP IN ACCOUNTING AND FINANCIAL EXPERTISE®

Luis Aponte

Experience

58-Consulting LLC ♦ Manager, IT Compliance & Advisory Services — 2024 to Present

- ♦ Conduct IT compliance audits, risk assessments, and ITGC testing.
- ♦ Manage comprehensive third-party security risk assessments on behalf of customers, evaluating vendor security controls and regulatory compliance. Leverage GRC platforms and automation tools to streamline assessment processes, improve efficiency, and ensure consistent reporting.

SOAProjects Inc. ♦ IT Compliance & Advisory Services — 2019 to 2024

Manager, IT Compliance & Advisory Services, 2022 to 2024

- ♦ Led the end-to-end IT SOX program, including planning, scoping, risk assessment, control design, testing, remediation, and reporting.
- ♦ Worked closely with engineering, DevOps, and IT teams to design and implement effective, scalable IT controls.
- ♦ Directed walkthroughs, coordinate evidence collection, and manage remediation efforts to ensure timely closure of audit gaps.
- ♦ Established and maintained SOX documentation, including risk/control matrices, narratives, process flows, and testing procedures.
- ♦ Monitored and reported IT control effectiveness and remediation progress to stakeholders, ensuring compliance with state, federal, and industry regulations.
- ♦ Conducted IT risk assessments and audits leveraging COSO and other recognized frameworks; identify control gaps, assess risks, and recommend targeted improvements.
- ♦ Provided guidance and training to control owners on SOX requirements, IT security, and SDLC controls during system implementations.
- ♦ Stayed current on SOX requirements, cybersecurity regulations, and IT risk management best practices.
- ♦ Acted as primary liaison for external auditors on all IT SOX-related matters.

Senior Associate, IT Compliance & Advisory Services, 2022 to 2024

- ♦ Conducted IT compliance audits, risk assessments, and IT general controls (ITGC) testing to evaluate control effectiveness and identify improvement opportunities.
- ♦ Reviewed and analyzed SOC 1 reports, mapping controls to relevant frameworks and assessing the accuracy and completeness of key reports.
- ♦ Collaborated with clients to perform third-party security assessments and maintain up-to-date security knowledge bases to support ongoing risk management efforts.
