

Tony Guan, CPA

Tony has deep experience in business advisory services with emphasis on technical accounting, internal audit, and process improvement. Tony supports private and public companies through complex transactions, regulatory compliance, and organizational change—covering SOX readiness, fraud prevention, audit support, financial reporting, and KPI development. He also steps in to fill leadership gaps as a part-time Controller or CFO, guiding businesses from startups to mid-sized enterprises.

Credentials & Expertise

Expertise

- ◆ Technical Accounting
- ◆ Finance Transformations
- ◆ Data Analytics and Visualizations (PowerBI)
- ◆ Process Improvement
- ◆ U.S. GAAP and SEC Reporting
- ◆ Sarbanes-Oxley (SOX)
- ◆ Risk Management/Compliance
- ◆ Internal Audit

Industries

- ◆ Technology
- ◆ Financial Services

- ◆ Entertainment

Associations & Certifications

- ◆ Certified Public Accountant, California
- ◆ Member, American Institute of Certified Public Accountants (AICPA)

Education

- ◆ BA with a major in Business Economics and a minor in Accounting, University of California, Irvine

Achievements

- ◆ Redefined a gaming/hospitality company's financial close processes and strategy by using a qualitative approach to identify critical financial challenges and opportunities and map a future state that focused on unique qualities rather than industry norms and benchmarks.
- ◆ A multi-tasker who ran three projects simultaneously, each involving upgrading clients' accounting competency from no organized record-keeping to audit readiness.
- ◆ Developed and managed engagement budgets ranging from 900 to 20,000 hours, resulting in engagement revenues that range from \$500K to \$4M annually.
- ◆ Created reporting dashboards for Executive Management and Board of Directors through data extraction, data normalization, and data feature engineering in Microsoft's Power Business Intelligence (PowerBI) tool to identify never-seen-before insights in engagement performance, budgetary spends and future projections.

Highlights

- ◆ **Grant Thornton**, Senior Associate – Advisory Services

For over 15 years, BGA has proudly filled the gap that often exists between accounting firms striving to maintain independence and their clients. We understand the compliance requirements and needs of our public and private clients. Our unwavering commitment to excellence has enabled us to assist thousands of domestic and international companies with everything from complex M&A transactions to IPOs and technical accounting for financial reporting.
