

Dwayne Carey, CPA (inactive), MS

Dwayne is an accounting and financial reporting professional with more than 25 years of experience across public accounting, corporate finance, and consulting environments. He specializes in stabilizing and strengthening accounting functions during periods of transition, including resolving technical accounting matters, remediating internal control deficiencies, and preparing organizations for audit and financial reporting requirements. His experience includes hands-on leadership in addressing complex accounting issues, improving close and reporting processes, and implementing practical internal control frameworks to support scalable and reliable financial reporting.

Credentials & Expertise

Expertise

- ◆ U.S. GAAP technical accounting and SEC financial reporting
- ◆ Sarbanes-Oxley (SOX) compliance and internal control remediation
- ◆ Accounting process improvement and close optimization
- ◆ Data analytics
- ◆ Internal audit (financial, operational, and IT)
- ◆ M&A due diligence and transaction advisory

Achievements

- ◆ Led the preparation and review of monthly and annual financial statements in accordance with U.S. GAAP, ensuring accurate reporting and supporting external audit requirements.
- ◆ Strengthened the financial close and reporting process by implementing standardized reconciliation procedures and review controls, improving the accuracy and timeliness of financial statements and reducing the monthly close cycle.
- ◆ Coordinated with multiple business units to model capital expenditure scenarios.
- ◆ Led the development and execution of the annual internal audit work plan.

Industries

- ◆ Technology
- ◆ Healthcare
- ◆ Entertainment
- ◆ Manufacturing
- ◆ Utilities
- ◆ Professional services
- ◆ Consumer products

Associations & Certifications

- ◆ Board Member, Girl Scouts of California's Central Coast

Highlights

Advised RCMT Holdings on technical accounting matters, accounting process redesign, and Sarbanes-Oxley (SOX) compliance, supporting improvements to financial reporting processes and internal controls.

As Vice President of Internal Audit, served as a member of senior management in charge of the internal audit/M&A due diligence department and was responsible for financial, operations and M&A audits; development and execution of the annual internal audit work plan; and presenting key audit findings and recommendations to senior management and the board of directors.

For over 15 years, BGA has proudly filled the gap that often exists between accounting firms striving to maintain independence and their clients. We understand the compliance requirements and needs of our public and private clients. Our unwavering commitment to excellence has enabled us to assist thousands of domestic and international companies with everything from complex M&A transactions to IPOs and technical accounting for financial reporting.

Dwayne Carey, CPA (inactive), MS

Highlights

As **manager of the compliance risk services practice** provided outsourced and co-sourced internal audit services, managed day-to-day client relationships including a \$1.5 billion international company, organized training sessions on internal audit report writing and new PCAOB guidance.

Assisted EP in its efforts to digitize its paper intensive back-office via the implementation of Oracle Cloud ERP & HCM. Spearheaded transformational process improvements. Helped implement back-off ERP redesign, and GRC control functionality.

Redesigned the Salesforce revenue process to help facilitate financial accounting revenue recognition and reporting requirements. Implemented best practices and control enhancements to minimize errors and reduce the close time to 5 days. Wrote Accounting Department policies and procedures.

Served as Interim Accounting Manager and spearheaded an Accounting Department cleanup. Utilized data mining and advanced MS Excel data techniques to reconcile multiple credit card and Zelle suspense accounts consisting of millions of transactions.
